THE CONSORTIUM OF
MULTIPLE SCLEROSIS CENTERS

MS MENTORSHIP FORUM MEDICAL PROFESSIONALS IN TRAINING 2024

PROGRAM OVERVIEW

Emerging knowledge of the neuropathology of MS and advances in neuroimaging have expanded treatment horizons in multiple sclerosis. It is estimated that within the next decade, the demands of a growing patient population may outstrip the number of professionals dedicated to the treatment of this lifelong chronic disease.

Now in its ninth year the MS Mentorship Forum is a unique educational program designed for trainees who are interested in or have recently entered the field of MS practice. Participants will benefit from specialized training in MS from expert faculty members as well as discussions from peer mentors about networking and mentoring opportunities that will facilitate their successful advancement in their field of specialization. In addition to the Forum itself and throughout the Annual Meeting, more casual opportunities will be available to network with other attendees, faculty and guest speakers.

This Forum will be held in conjunction with the 2024 Annual Meeting of the Consortium of Multiple Sclerosis Centers (CMSC) in Nashville, TN, May 29 to June 1, 2024.

Forum participants will be provided:

- Complimentary meeting registration
- Travel and hotel accommodations
- Any additional costs incurred will be personal responsibility of the scholar.

Scholars must be available to attend events listed below:

Mon, May 27, 2024	Please plan to arrive to attend the MS Mentorship Forum starting Tuesday morning.
Tue, May 28, 2024	Full-Day MS Mentorship Forum (breakfast, lunch and dinner included)
Wed, May 29, 2024	Evening Scholar Reception
Thu, May 30, 2024	FCMSC Scholar Recognition Luncheon

ELIGIBILITY:

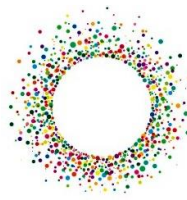

- Professionals in advanced training with an interest in MS/Neuro-immunology or a discipline related to the care of Patients with MS.
- Candidates must have approval by their department head/director or supervisor/mentor. Applications will be reviewed through a selection process established by CMSC/FCMSC leadership independent of grantors or supporters.

PROGRAM OUTLINE

The full day program will convene expert faculty members (experienced experts noted in their subspecialty) and “peer mentor” neurologists or subspecialists who have completed specialty fellowships in areas of expertise important to MS care. Breakfast, lunch, and dinner will be provided.

APPLICATIONS NOW BEING ACCEPTED

The number of participants is limited. The selection of participants will be made independently of grantors through a review process of the CMSC. The deadline for application submission is March 1, 2024.

MS MENTORSHIP FORUM APPLICATION 2024

Required (please TYPE or print clearly)

Name:		Credentials:
