The Foundation of the CMSC focuses on Building the MS Workforce of the Future

The Foundation supports the goal of the CMSC to nurture and support the MS Workforce of the Future. Expanding access to comprehensive services and reinforcing the work of expert researchers will help to ensure better understanding and care of this complex disease until a cure for MS can be found. To date, hundreds of participants have directly benefited from the support of the FCMSC.

Proceeds from the following support opportunities will help the FCMSC in their mission to advance the MS Workforce of the Future.

MENTORSHIP FORUM **\$35,000**

(to be held in conjunction with the CMSC Annual Meeting)

The MS Mentorship Forum is a unique educational program designed for trainees who are interested in or have recently entered the field of MS practice. Participants will benefit from specialized training in MS from expert faculty members as well as discussions from peer mentors about networking and mentoring opportunities that will facilitate their successful advancement in their field of specialization. In addition to the Forum itself and throughout the Annual Meeting, more opportunities will be available to network with other attendees and faculty and guest speakers. The Mentorship Forum Scholars will also benefit from the many educational sessions offered during the week of the CMSC Annual Meeting.

Supporters will be recognized in the form of:

- **Supporters' name in the Mentorship Program**
- **Supporters' name prominently placed on signage at Mentorship Forum**
- **Recognition by FCMSC leadership in opening remarks and reserved seating**
- **Acknowledgement on www.cmscfoundation.org**

The program kicks off the day before the opening day of the CMSC Annual Meeting. This meeting will be announced to the CMSC and IOMSN mailing lists and social media.

SCHOLAR RECEPTION \$7,500

This Reception is an informal networking event for all the Foundation Scholars and Mentors to enjoy time off from the busy conference schedule.

Supporters will be recognized in the form of:

- Supporters' name in the invitation emails
- Supporters' name prominently placed on signage at Scholar Reception
- Recognition by FCMSC leadership in opening remarks and reserved seating
- Acknowledgement on www.cmscfoundation.org

SCHOLAR RECOGNITION LUNCHEON \$7,500

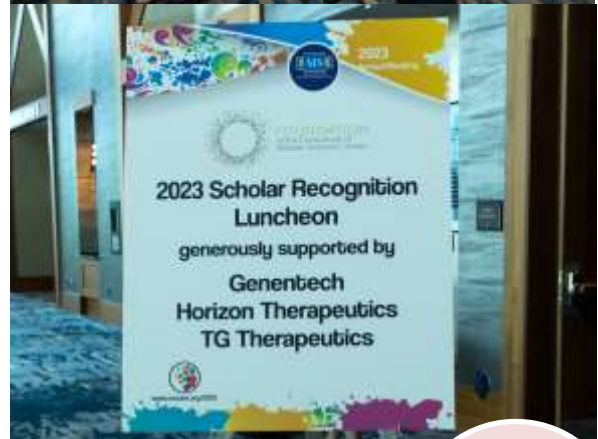

This event recognizes honorees for various awards, and brings together recipients, mentors, and leaders in MS care for an afternoon of networking and camaraderie that truly captures the spirit of the Annual Meeting. Rewarding and recognizing outstanding contributions to the field of MS across a variety of settings and disciplines is an important way to set an example for others, whether they are professionals-in-training or highly experienced in MS patient care and research.

Luncheon Supporters will be recognized in the form of:

- Supporters' name in the invitation emails
- Supporters' name in Scholars' Luncheon Program
- Supporters' name prominently placed on signage at Scholars' Luncheon
- Recognition by FCMSC leadership in opening remarks and reserved seating
- Acknowledgement on www.cmscfoundation.org

“From this experience I was able to learn how professionals in different areas can collaborate together in order to work on interdisciplinary translational projects to better understand diseases including MS.

- **Prominent signage at Yoga program, visible to participants and other Annual Meeting attendees**
- **Verbal acknowledgement at Yoga program**
- **Acknowledgement on www.cmscfoundation.org**

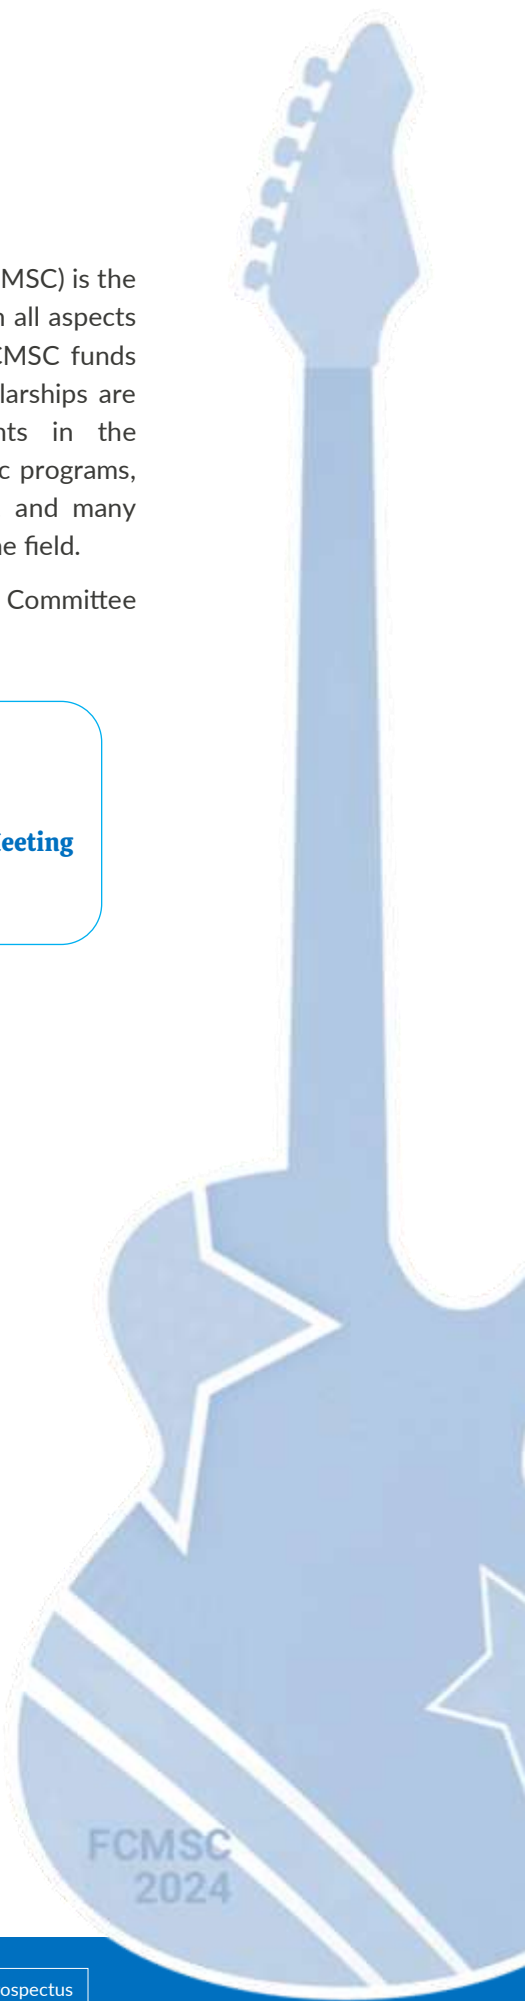

2024 FCMSC Scholarships at the CMSC Annual Meeting

The Annual Meeting of the Consortium of Multiple Sclerosis Centers (CMSC) is the largest and most comprehensive meeting in North America focusing on all aspects of MS care and related research. Each year, the Foundation of the CMSC funds scholarships to attend the Annual Meeting of the CMSC. These scholarships are intended to encourage growth and excellence for all recipients in the comprehensive clinical care of MS. Attendees will benefit from didactic programs, workshops, professional development opportunities, poster sessions, and many opportunities to meet and share ideas with mentors and colleagues in the field.

Qualified candidates will be selected by an independent Review Committee consisting of representatives from the FCMSC/CMSC.

Program supporters will be recognized in the form of:

- **Supporters' name in the application materials and flyers**
- **Supporters' name prominently placed on signage at CMSC Annual Meeting**
- **Acknowledgement on www.cmscfoundation.org**

Support of five (5) scholarships in any category is \$15,000.

The Susan E. Bennett MS Rehabilitation Annual Meeting Scholarship

Rehabilitation in MS is one of the many multidisciplinary focuses of the meeting each year. Scholarships will be awarded to distinguished graduate students enrolled in accredited rehabilitation programs and will cover expenses related to attendance at the Annual Meeting of the Consortium of Multiple Sclerosis Centers. Qualified students will demonstrate a particular interest in the field of multiple sclerosis rehabilitation.

June Halper 2024 MS Nursing Scholarship

The June Halper MS Nursing Scholarship will award nurses with scholarships to attend the Annual Meeting of the Consortium of MS Centers. **Nurses who are not yet certified in MS will be given preference.** The scholarship program will offer participants the opportunity to network with the leadership of the International Organization of MS Nurses (IOMSN), which convenes during the Annual Meeting.

Mental Health in MS Scholarship

Mental Health in MS is one of the many multidisciplinary focuses of the meeting each year. Scholarships will be awarded to mental health professionals and will cover expenses related to attendance at the Annual Meeting of the Consortium of Multiple Sclerosis Centers. Qualified applicants will demonstrate a particular interest in the field of multiple sclerosis.

Medical Student Scholarship

Scholarships will be awarded to distinguished students enrolled in Medical Schools to cover expenses related to attendance at the Annual Meeting of the Consortium of Multiple Sclerosis Centers. Qualified students will demonstrate an interest in the field of multiple sclerosis.

Supporter Named Scholarship

The FCMSC will consider supporter suggested scholarships.
